### Case Studies This Issue

#### Facelift, Tummy Tuck, Botox/Fillers, Breast Reduction

**Facelift & Upper/Lower Eyelids:** "After losing 30 pounds at 58, my face looked like it had melted," says Michelle, 60, of Coral Springs. "I hated to look in a mirror. Dr. Levens said 'we can fix that'. And he certainly did!" [Read article & see more photos](#)

**Lower Facelift & Necklift:** "Dr. Levens said I didn't need surgery yet and sent me home twice to think about it. I was really impressed with his honesty," says Donna, 57, of Parkland. "But the slight jowls and the lax skin under my chin bothered me so we moved ahead and I'm extremely pleased." [Read article & see more photos](#)

**Tummy Tuck:** "I went from 118 to 178 lbs. during pregnancy. Dr. Levens removed two pounds of excess skin—Kate Gosselin only had only 1 1/2 pounds removed after carrying sextuplets!," says Francine, 39, of Coral Springs. "The difference is amazing. A few friends actually asked if I'd had breast augmentation...my breasts look larger now that my stomach is flat." [Read article & see more photos](#)

**BOTOX®/Fillers:** "I had lines around my eyes and laugh lines around my mouth and wanted a rejuvenated look," says Mercedes, 44, of Parkland. "I got that, plus the appearance of higher cheekbones as a bonus." [Read article & see more photos](#)

**Breast Reducton:** "After pregnancy, my breasts went from a D cup to DD which caused back pain and made it difficult to buy bras and shirts," says Donna, 23, of Tamarac. "I'm a C cup now and feel wonderful and look 100% better in clothes." [Read article & see more photos](#)
